

Additional Agreement to the Cooperation Contract with Speakers

Video Recording of presentation and sound of your APEX Connect 2018 session

between DOAG (organizer) and

First Name speaker:

Last Name speaker:

Company:

in the following addressed as "Speaker".

In addition to the regulations of the speaker's contract in the terms and conditions for speakers, the parties agree on the following:

- The speaker agrees on having his presentation recorded. This includes the video recording of his person during his presentation and the following Q&A, the screen presentation (slides) as well as sound (the speaker's voice). Possible questions, comments and acclamations may be recorded as well.
- The speaker assists the DOAG in the preparation by providing a video/usb port on his laptop.
- The speaker confirms that the above mentioned recording is subject to the same regulations regarding copyright, use and liability as agreed before when submitting his presentation.
- The speaker allows the DOAG furthermore to publish and distribute the recordings in any form. Please do note that the recording may be researchable by third parties in search engines and/or databases after publishing. The finished product may also be used partly or entirely for advertisement means by the DOAG.
- The speaker will not oblige DOAG for publication of the record.
- The name and – where applicable – company as well as the presentation title will be included.

Other regulations of the contract remain unaffected by this agreement.
