

The Value of Quest International Users Group

Darrell Hawkes, President

QUEST gives you and your company:

- Higher satisfaction with your JD Edwards and PeopleSoft software
- Smoother implementations ,and
- A unified voice into Oracle.

Benefits of Membership:

- Network with colleagues and experts to ask questions, share experiences and discuss best practices.
- Steep discounts on Quest events, online learning, and “On Demand” sessions.
- Participate in member-only online learning webinars.
- Priority seating in virtual town halls.

The Top 4 Things to Get the Most Value from QUEST:

1. *Update your profile* - Reduce the noise by customizing your profile so that only relevant information gets to you.
2. *Connect* - Contribute in a forum, join a SIG, write a blog.
3. *Learn* - Read Q&A, join a blog or Online Learning session, or download an OnDemand session.
4. *Read your Weekly Download* - Your one-stop-shop for all necessary information.

A VIBRANT NETWORK IS ALWAYS AT YOUR FINGERTIPS

Quest International Users Group is a catalyst to maximize your business investment through the power of our community, tools and experience. Questing Community features over 50,000 members and 100+ regional user groups.

GROUPS

Enhance your Quest Experience - Join our family of user groups

Within Quest there is a network of user groups specific to the members' shared interests. These groups offer opportunities, user group members share information, updates on the latest Oracle news and make important contact with other users. Also be sure to check out the Group Meetings on the [Events Page](#) »

Find user groups here.

Search in Groups:

GEOGRAPHIC USER GROUPS

This should be a very short introduction to what a geographic user group is. Etiam vel augue a eros placerat posuere.

North American RUG's:
