The screenshot shows the Oracle Business Intelligence Administration console. The top navigation bar includes the Oracle logo, 'Business Intelligence' text, a search bar with 'All' selected, and links for 'Advanced', 'Administration', and 'Help'. On the right, there are links for 'SampleApp OTN Page' and 'Sign Out'. Below this is a secondary navigation bar with 'Administration' and various menu items like 'Alerts!', 'Custom Link', 'SampleApp Main Index', 'Home', 'Catalog', 'Favorites', 'Dashboards', 'New', 'Open', and 'Signed In As prodney'. The main content area is titled 'Manage Sessions' and contains a message: 'View session information below.' with a 'Back' button. Underneath, the section 'Sessions' displays 'Total number of sessions: 1'.
