Since May 2016, Stefan Kinnen is the Chairman of the Board of the DOAG Deutsche Oracle-Anwendergruppe e.V. Before that, he was Vice Chairman and Chief Financial Officer. He has been a member of the board since 2005, with a short interruption, as, among other, Head of the Development Community. Moreover, he headed the regional group North Rhine-Westphalia.

"The use of Oracle technology or applications is varied for users, the challenges ranging from technology to economics are complex. DOAG is an important network to share knowledge and experience and to represent the users' interests to the manufacturer in a strong community. Doing so, it is important to ensure continuity and to field new developments at the same time", says the DOAG Chairman of the Board.

As Vice President Business Development at the Oracle Platinum Partner Apps Associates, his team and him create solutions in the areas of Business Software, Custom Development, Business Intelligence and Managed Services.

In his spare time, Stefan Kinnen loves to be active. His favorite sports include golf, hiking and cycling. He is also very interested in music.
