

Profile: Fried Saacke

Fried Saacke was chairman of the board of the DOAG Deutsche Oracle-Anwendergruppe e.V. between November 1999 and June 2008. Before that he founded and ran the DOAG-Regionalgruppe Berlin-Brandenburg.

Since June 2008 he has been working full-time for the DOAG and has been responsible for all the operative affairs of the association. At the same time he keeps his mandate as member of the board of directors of the DOAG.

»We are the Oracle-Community« is the motto of the DOAG CEO who holds a critical but cooperative position regarding Oracle.

In his private life, Fried Saacke is an active member of the mountain rescue service in Munich (Bergwacht München), thus loving being out and about in the mountains.
