ONSITE INFORMATION

DISTRIBUTION OF MATERIAL

It is not allowed to distribute or display materials, flyer outside of your booth or the press center. Especially please do not display material on the tables or in the catering area

JOBWALL

In our Developer Zone in Level 1 Foyer Hong Kong, we offer the possibility to post job offerings for students and apprentices (positions for working students, internships, supervision of bachelor's and master's theses). The tenders will be placed on a bulletin board in A4 format. Please bring the alerts already printed.

ELECTRICITY:

There will be an electrical connection at every booth (3 kW).

W-LAN:

In the whole conference center will be an open wireless LAN connection. Additionally, we offer an exclusive wireless LAN connection for exhibitors as well as speakers. You will receive the access data by Mr. Rosenhagen or the booth builder S.K. Messebau GmbH, Mrs. Kiechle.

PARKING:

For trucks and light van there are parking areas available near the venue (CongressCenter). You will find a description in the exhibitor's manual. Automobiles of your stand personnel may park at the visitors parking areas (9 € per day).

ASSEMBLY/UNLOADING/DISMANTLING:

The gate to the loading yard of NCC East is located at Gate 1f ([see map](#)). Vehicles are allowed to stop there only during the time of assembly, unloading and dismantling. An employee will take a note of the time of admission and will arrange the time of exit. Moreover, he will ask for a deposit, which amounts up to 100,00 EUR. The deposit will be returned when leaving the zone in time. Delivery may be affected by the support of elevators. Special means of transport are recommended.

LOCKERS

For locking up your private documents and bags you can find lockboxes (level -1 and level 1, press center). Utilization of the lockboxes occur at your own risk, if the key gets lost the exhibitor will be bound to bear the damage. Please save a lockbox in good time, because after the opening of the conference the lockboxes are available for everyone.
